See below for further details on the application process.

DESCRIPTION OF POSITION

Under general supervision, a Firefighter EMT or Paramedic shall perform firefighting and emergency medical services at an EMT or Paramedic level required to protect life and/or property from the dangers of fire, medical emergency, hazardous materials, accidents, and natural or man-made disasters, using a variety of firefighting, emergency and medical procedures, techniques, and equipment. A Firefighter EMT or Firefighter Paramedic shall perform the duties of medical and non-medical necessary inter-facility calls under the direction of the shift supervisor. Firefighters are required to work 48-hour shifts, including weekends and holidays. During those shifts, Firefighters live and work in close quarters with other individuals and must work cooperatively with other members of his or her team.

CRFR is establishing a hiring list to hire three FTEs in 2023, and for future full-time FF/EMT and/or FF/MEDIC positions. Open positions will be filled, from the list, based on departmental need.

DISCLOSURES

Colorado River Fire Rescue reserves the right to modify such benefits from time to time, in its sole discretion, and subject to applicable law.

CRFR is committed to equal employment opportunity and complies with federal and state equal employment opportunity and anti-discrimination laws.

Colorado River Fire Rescue anticipates filling at least three (3) positions in the year 2023.

With increased funding approved by District Property Owners in the 2021 Primary Election, CRFR will be up-staffing three (3) line personnel and increasing maximum staffing from 10 personnel to 11 personnel per shift.

Responses to emergency incidents have dramatically increased over the past five years, resulting in increased response times for critical emergencies throughout the district. CRFR responded to 2,640 emergency incidents in 2021, which is a 9.3% increase over 2020.

The candidate list will remain in effect for the next 12 months, as future openings are anticipated.
