INSTRUCTORS NEEDED

CCFA has been selected to host the Red Rocks Community College Firefighter I Academy and we will need to grow our instructor cadre. We are reaching out to our neighbors to recruit personnel with all levels of experience. Our and the college's goal is to prepare the students for Division of Fire Prevention and Control and the fire service agency's testing processes.

All classes will be held at CCFA's Station 1 in Dumont Colorado. Classes will meet Thursday and Fridays for 16 weeks during the spring and fall semesters. We need instructors for both didactic and hands on sessions, with a pay range of \$30 to \$35 per hour based on role and experience.

If interested in this contract position, please submit a resume and cover letter to:
